A WORK OF ART IN NM

PRESIDENT'S CORNER

Hello Fellow Tin Lizzies,

Chicken Chicken Chicken – who has the Chicken. Now let me see, that would be me. I think that I have had it long enough, and the reason that I have had it this long can only mean 1 of 2 things. Either someone has had a mishap and not said anything about it, or we have not had the T's out enough in order for this cherished time honored tradition to change hands.

Now you know what this means, we need some additional outings planned. We have our monthly breakfast scheduled each month and a busy August coming up, so go ahead and put on your thinking caps and come up with some sort of day trip for us to do. Perhaps someone wants to schedule a luncheon somewhere (along the same idea as our breakfast) on a weekend not already taken.

Remember, it does not have to be anything extravagant -- pick a place for a lunch, or map out a route then choose a day and place and put it all into motion.

Thanks,
Dean

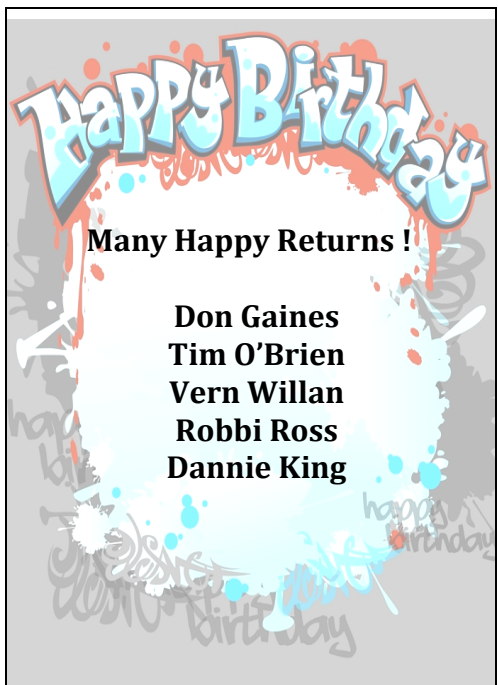

For months, our club members have worked on rebuilding a Canadian engine that was donated to us for the sole purpose of raising money for the MTFCA Museum. Raffle tickets were sold at the Annual Meeting and are still available from MTFCA Officers and Tin Lizzie Members. Only 500 were printed, they are still just \$10 each. Neil and Mary Ann O'Brien delivered the engine complete to the Museum in May. The drawing will be held in August in Albuquerque. The following pictures were sent via Mary Ann

TIN LIZZIES OF ALBUQUERQUE MEETING MINUTES May 24, 2012

President, Dean Van Doren, called the meeting to order at 7:10 PM. The Pledge of Allegiance was recited by the membership. Robbi & Bob Ross introduced their daughter, Rose, who was our only guest. Dean announced that tonight's refreshments are provided by Mark & Susan Wing & Bob & Robbi Ross. Dean advised that since our late August tour begins the same night as our meeting, the August meeting will be held the week before on the 16th of August, which is the 3rd Thurs of the month. Dean also told us about the NM Centennial Car Show on June 16. It's \$10 to show your car. He has the detailed information if folks are interested. He also said that the raffle engine was delivered to the Museum in Richmond about 3 days ago. Per Tom Miles, it is in the Museum now. We still have raffle tickets to sell here. Also, we can't really call it a raffle, but a generous donation to the Museum. Tom said Dean will draw the winning ticket here in Alb, & the winner will be announced in Richmond.

Vice President, Stan Gauna encouraged everyone to buy raffle tickets this evening, & showed what was to be raffled.

Secretary's Report: Lorna Azevedo gave the Secretary's Report. There were no corrections or additions to the minutes from the April newsletter. She read "Thank You" cards & letters from individuals who enjoyed the Business Meeting held in Alb in March. Also, she read a letter from the Roadrunner Food Bank.

Committee Reports:

E-Mail: Kirk Peterson said he is sending emails out. If members are not getting email notifications, please let Kirk know.

Telephone: Linda Riel advised that if there are any changes to the call list, let her know.

Newsletter: Robbi Ross said if there is any new information on upcoming tours, please let her know so she can put the information in the next newsletter.

Car Council: John Hayne gave the Car Council report. He said the All Clubs Picnic is Aug 14 at Oak Flats. On June 9 there is a car show sponsored by the Cleveland H.S. Band Boosters in Rio Rancho. Also the 34th annual Swap Meet will be on Sept 28 thru 30 in Los Lunas. It's \$20 per space.

Hospitality: Janice Gauna said nothing was sent out in May.

Librarian: Mark Dominguez let us know he has an updated list of the books & movies. He has 2 versions of the lists so everyone should be able to access them on line. He said he could shrink it to put in the newsletter & could be put on the website. He said the books & movies are ready to be checked out.

He also has added photos of the engine's arrival in Richmond, the May 12 breakfast at the Duncan's, & added to the list of favored suppliers. He also has an acquaintance that has a Model T & might be interested in joining our Club.

Tours: See Old Business.

T'n Vittles & Refreshments: Linda Riel needs a volunteer to help provide refreshments in Sept.

State Fair: Vaughn announced the State Fair is still in Sept.

Follow-up on Previous Events:

May Breakfast hosted by Paul & Marilyn Duncan: Marilyn reported that we had a small turnout for the breakfast, but everyone had a lovely time, & it turned into a neighborhood event when her neighbors joined in the fun.

Unfinished Business:

Los Alamos Tour: Dean received a write up from Skip Dunn about the Tour he has planned for Aug 9-12. Discussion was held about the tour, & Dean is going to call Skip to clarify some of the information. See more details in the newsletter.

Club Tour the End of August: Larry gave an update of the plans for the "Rough Rider Tour", August 23-26. This tour will be held in Las Vegas, NM, headquartered at the Plaza Hotel. We have reserved rooms there for the Tin Lizzies of Albuquerque with room rates of \$78 single, & \$88 double occupancy. We will tour the Mora area as well as local points of interest. See more details in the newsletter.

Member Appreciation Evening: Linda Riel reported on the event which will be held Saturday, Oct-20, 6:00 P.M. at the American Legion Post 49 at Elizabeth & Eubank NE. Linda made a motion to have this as a Club sponsored event, Bruce Daniel seconded it, & the membership voted in favor of the motion.

We had our break & visiting time

New Business:

Ice Cream Social in August: Linda Riel proposed that we have an ice cream social at our Aug 16 meeting. It was agreed that she will bring the ice cream & everyone else will bring toppings.

Lorna Azevedo advised that there are still openings for the Nebraska National Tour June 17-22. Anyone wanting to attend can still sign up. They only have 51 cars & had planned for 100.

Linda Riel still has shirts & hats for sale.

Don Mitchell thanked everyone who helped work on his T at the last work party.

Betty Housholder advised those that will attend the breakfast at the Vineyard on June 2 to park close together & show up at 800A. Robbi Ross said she's researched games that we can enjoy with our T's following the breakfast.

Program: Marilyn Duncan gave the program. Two songs from the early era were played on her laptop. They were "Henry's Made a Lady Out of Lizzie" from 1928, & "The Little Ford Rambled Right Along" from 1915. We had printed words to follow along as the songs were playing. It was a very interesting program.

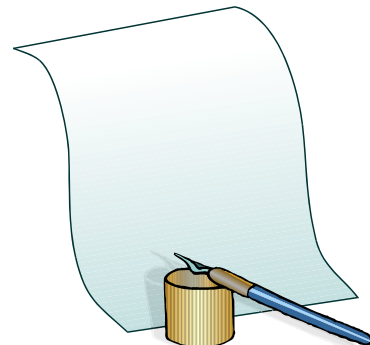

Raffle & Prize Drawing: The raffle prizes were won by Bob Ross, Linda Riel, Mark Dominguez, Betty Housholder, Mark Wing, Vaughn Rockafellow, & Larry Azevedo.

Lorna Azevedo asked everyone who helped with the Business Meeting to please take one of the plastic pitchers (that we used for the raffle) home with them.

In honor of Memorial Day, Dean was given a list compiled by Bernice Young & Tom Miles of members who are no longer with us. The list included: Bob Blaze, Warren Bentley, Gene Cue, John Cunningham, Nancy Harvey, Elmo Rinehart, June Rinehart, Harry Navarre, Francis Riel, Roy Young, & Lou Bedouin. We miss them all.

Wanted: John Hayne needs a high radiator shell. Clarence Schritter needs a radiator shell...not sure if high or low.

We adjourned at 8:40 PM
Respectfully submitted,
Lorna Azevedo, Secretary
